

### Supervisor Update

Greetings, I hope all is well.

On behalf of the Township Board and Dafter Township Citizens, I would like to thank Trey Atkinson for his donated work and projects to the Township. Trey was working to achieve Eagle Scout rank before he turned 18 and before he moved off to college. Trey approached the Township Board a while back asking if the Township would allow him to build a couple of projects for the township that will fulfill his requirements to achieve Eagle Scout status. With the help of fellow Troop 105 Scouts Kyle Pine and Cian Parish, he built a bench and a new sign for the Dafter Volunteer Fire Department over the course of the summer of 2021. Thank you to Lock City Home Center and Soo Builders for donating the majority of the materials needed to complete the project. In addition to the awesome carpentry, Trey wanted to thank his parents, fellow Scouts, and leaders who helped him get to this point. Good luck Trey at collage and all the new endeavors you take on.

Another update, the township has applied for the American Recovery Grant Funding for the Township. If awarded, the township will be able to use the funding for some limited things such as infrastructure work, repairs, emergency equipment and such. I will update you in our next newsletter. Until then, enjoy the Fall and stay safe. Lastly, please take advantage of the hard work the Community Services Committee has done with the Halloween festivities later this month.

Best,  
Your Township supervisor

### Clerk's Update

Hi everyone!

Greetings to all of you. I have just finished my 3rd month as your township clerk. I am learning a lot about this position and appreciate your patience with me as I learn something new every week. Because there were no submissions for issues needing to be voted on, our township will not be having an election this November. The election dates for 2022 are May 3, as well as the Primary Election on August 2 and the General Election on November 8. Be sure to check out the township webpage at <https://daftertownship.org/>. The site is still under construction. The monthly minutes are posted there once they have been approved at the Board meeting. As a reminder, the minutes for a given month are not approved until they are read and approved at the following month's board meeting. Once they have been approved, they will be posted.
